Certification of Compliance with E911 Location Accuracy Benchmark – PS Docket No. 17-78

I, Shawn Hanson, am an Officer of Panhandle Telecommunication Systems, Inc. ("Company") and I am familiar with and have responsibility for Company's indoor location accuracy compliance. I hereby certify that, as of April 3, 2018, the Company (1) does not provide service or report live call data in one or more of the Test Cities; (2) is providing dispatchable location or x/y location information within 50 meters for 50 percent of all wireless 911 calls; (3) has deployed the indoor location technology or technologies used in its networks consistently with the manner in which such technologies have been tested in the test bed; and (4) has verified based on its own live call data that it is in compliance with the three-year benchmark set forth at 47 C.F.R. §20.18(i)(2)(i)(B)(2).
